## Angela Ammons, Wish On Me

Now its time to say goodbye But I'll always be there in your mind We've had our time, so lets not cry whenever you wonder, never wonder why and I hope that sometimes you look back and smile

CHORUS
wish on me
and I will be the best I can be
wish on me
I wish on you
for the very best you can do
if they never come (x4)
wish on me

Let me look at your face so why I can remember its grace hold me close hold me tight dont ever forget all the love we made and dont ever, how far your here in my heart

## **CHORUS**

Never give up on that part of me
Never let go of your hopes and dreams
I'm with you ever step you take
So hold on for god's sake
And you'll never be when your hungrys gone
I'll give you reason to hold on
My hand will be there for you to hold
youll never feel the cold
If you wish on me.

Wish on me (x3)
If they never come (x4)
CHORUS
