

# Angela Bofill, I Try

"I Try" by Angela Bofill

I try to do  
The best I can for you  
But it seems it's not enough  
And you know I care,  
Even when you're not there.  
But it not what you want.

You close your door,  
when I wanna give you more.  
And I feel, I feel so out of place.  
And you know it's true,  
Don't you think I'm, good enough for you.

Can't you see,  
That you're hurting me,  
And I want, I want this pain to stop.  
So if you really care,  
I mean if you really, really care,  
Then open up your heart to me.  
Open up to meeee....

You know that I tried to be with you.  
You know that I wanted to see it through.  
You know that I needed to make you mine.  
It was only a matter of time.

You know that I tried to be with you.  
You know that I wanted to make it through.  
You know that I needed to make you mine.  
It was just a matter of time.

You know that I tried to be with you.  
You know that I wanted to see it through.  
You know that I needed to make you mine.  
It was just a matter of time.
