

Angela Bofill, One Hello

If you're not afraid
Of what love brings
Then endings are beginnings
Of beautiful things
It's a chance you take
A chance you'll win
If someone's gonna find you
First you've got to let them in

'Cause love begins with one hello
The hardest part is over
Now it's easy letting go
One hello is how it starts
You might win it all
Or lose your heart

If you're not afraid
Of what you feel
Then try to keep it simple
But try and keep it real
And if bein' real
Means you'll someday say goodbye
Remember my friends
Good-bye's not the end
It's a circle you know
And it starts with one hello

Love begins with one hello
The hardest part is over
Now it's easy letting go
One hello is how it starts
Remember my friends
Good-bye's not the end
It's a circle you know
And it starts
It starts with one hello

It starts with one hello
Mmm...
