

Angela McCluskey, I Think It's Going To Rain Today

(Angela McCluskey with Paul Cantelon / Live at Culture Project / 11-18-2007)

Broken windows and empty hallways
A pale dead moon in a sky streaked with grey
Human kindness is overflowing
And I think it's going to rain today

Scarecrows dressed in the latest styles
The frozen smiles to chase love away
Human kindness is overflowing,
and I think it's going to rain today

Lonely, lonely
Tin can at my feet
I think I'll kick it down the street
Tin can at my feet
I think I'll kick it down the street
That's the way to treat a friend

Bright before me the skies implore me
Help the needy and show them the way
Human kindness is overflowing
And I think it's going to rain today
Oh I know it's going to rain
Oh I feel it's going to rain
Oh I know it's going to rain today
