

# Angela McCluskey, Will You Be Ready

Shiwaja shiwaja itokuri shiwaja yoi

An eye for an eye, will only make this world go blind  
Another lie for a lie, we'll be wiping out mankind  
Will you be ready

Ennuo kiriri musu ranoya

Will you be ready

Ahuu yuu uri yoi  
Itoya kiririba musubimo na ryu uri yoi

Can we let the sun still shine  
Or rip into fifteen pieces, will you be ready  
When it comes  
Will you be ready when it takes your heart  
Will you know what to say  
Will you be ready

Ennuo kiriri musu ranoya

Will you be ready

Ahuu ryu uri yoi

Will you still sing out in ecstasy  
To know that while you live  
Only love can see deep down inside  
Will you be ready  
Will you be strong  
Throw the love away

Ennuo kiriri musura yano ya  
Tokoyanu suraya no

Will you be ready

Ennuo kiriri musura yano ya

Will you be ready

Tokoyanu surayano  
Bai dogo joi joi
