

# Angelas Dish, Remember You

Today you tell me you're leaving  
You see that i'm grieving  
Still you turn and walk away  
And i can see in your eyes  
That direction is changing  
Babe we're slowly parting ways  
And you're right when you say  
This is wrong now you're leaving today  
Don't turn back and don't cry  
I'll remember you  
Remember you...  
I guess it's only a new house and only a new car  
New friends new job new hairstyle  
And do whatever it takes  
Pay whatever you pay  
- As long as it blocks me out  
And you're right when you say  
This is wrong now you're leaving today  
Don't turn back and don't cry  
I'll remember you  
Remember you...  
So go off hope you have fun  
I know we're both still so young  
Just forget about my smile  
Don't turn off your mobile phone  
We could talk when you're alone  
Just rings out it must be on silent  
But yeah and so is your heart  
And you're right when you say  
This is wrong and you're leaving today  
Don't turn back and don't cry  
I'll remember you  
Remember you...  
Remember you...  
Remember you...
