Angelas Dish, When I'm Gone

I can see you crying 'Cause you know that I'm leaving I know how much you hate it Being on your own So here's a little song I wrote it just for you girl You can listen to it You can leave it on repeat Every single day of the week It says & amp; quot; I love you and You've got everything I need" So when I'm gone away I can see you crying 'Cause you know that I'm leaving I know how much you hate it Being by yourself So here's a little song I wrote it just for you girl You can listen to it You can leave it on repeat

Every single day of the week It says & amp; quot; I love you and You've got everything I need" So when I'm gone away You can still here me say Yeah when I'm gone away You can still Oh oh Yeah honey you know I'm miles away But I just want you to hear me say "Well hey, everything will be ok" & amp; quot; Well hey, everything will be alright & amp; quot; "Well hey, everything will be o be ok" "Well hey, everything will be o be ok" & amp; quot; Well hey, everything will be alright Because I love you and You've got everything I need" So when I'm gone away Yeah when I'm gone away
