

# Angelgrass, Here For You

When life's going rough  
And time has got you down  
Don't think you're alone  
And baby please don't frown  
You say you're sick of this world  
And the pain you went through  
But please don't give up  
You know I'll be here for you.

I see the tears in your eyes  
And the pain in your heart  
I hear the sound of your cries  
As you lay in the dark  
But no matter what may come  
Or the things you'll go through  
I just want you to know  
That I'll be here for you.

When you just can't smile  
And you need a friend  
Whatever goes wrong  
I'll be here till the end.  
But I ask you one thing  
One thing that you could do  
Please be there for me  
When what I need is you.

If it's a hope that you want  
And a love that is good  
Well I know that I'll  
Give you all that I could.  
When you cry those sweet tears  
And you're feeling so blue  
I just want you to know  
That I'll be here for you.
