

Angelic Upstarts, Anti-Nazi

Why are you asking?
Do you want to know?
Understand the meaning
A lot to know
If the answers hurt your brain
My questions feed the pain

Do you want to hurt me
For the words I say?
Don't it make you find them to play
When they call the Jew
And my band will come play

Anti-Nazi is what I am
That's the way I stay
Till I Die

A Pakistani waiter
A ???
A homosexual I couldn't be you
A Nigerian doctor
A nurse from Taiwan
My dad's a Muslim cleric I couldn't be you

Stand together, all with me
Fight the Nazis, we believe
