

Angelic Upstarts, Machine Gun Kelly

Machine gun kelly is on the street
Hes got a uniform, hes on the beat
So watch out what you do
One false move and he'll shoot you

[Chorus]
Hes got a gun and it frightens me
A picture you thought that you'd never see

Machine gun kelly is on the street
Hes got a uniform, hes on the beat
You dont have to be robbing a bank
Walking the streets your takin the chance

[Chorus]
Run run run..Run away!
