

Angelina, I Will Always Be There For You

I never met a person quite like you
someone that makes me feel loved
I wanna be the one that you are thinking of
the one that brightens your day
Because there's nobody else,
that can do the things you do
Forever, i'll be there for you
So when you feel the need to love,
let me be the one you're thinking of
because I will make it so right

Chorus

Forever (forever)
and ever (and ever)
I will always be there for you (I will always be there for you)

Forever (forever)
and ever (and ever)
I will always be there for you baby (I promise)

I've got to tell you what I feel in my heart

I wrote this song just to say
No ones ever gonna love me

Nobody but you,
i'm yours from this very day
Because there's nobody else
thats can do the things you do

I promise,
i'll always be true

So when you feel the need to love,
let me be the one your thinking of
because I will make it si right

Boy just call out my name, listen boy

I will always be there for you

Boy just come to me fast

There'll never be another no, ah, no, no,
there'll never be another for me

I will always be there for you

Boy just call out my name, listen boy,

I will always be there for you baby

Chorus 2x
