

Angelique Kidjo, Open Your Eeys

Open Your Eeys

Featuring Kelly Price

Min bi do t la

Gb fib dit joib nub kiii

Min bi do t la

Mon djin nou bi kanan non an

I've lived my life sometimes pretending

The world is fine

No one is needing

Afo nan sogb nou wanyinyin in in lo

Azo do gb wou

Do gbe sin dagb ba w min bi d

Down in my soul I hear you calling

Open your heart and just let love in

Because the world has another face

Because the world has another face

Open your eyes

Open your eyes

Ali ga ho de man nan do mint

Azo do gb wou

Nou min nan kpl gbto I bi do kpoouo

We need to love each other freely

Remove the blinders, so we can see

Afo nan sogb nou wanyinyin in in lo

Azo do gb wou

Do gbe sin dagb ba w min bi d

I lift my voice so I can show you

There's so much more in life

We can do

Because the world has another face

Because the world has another face

Open your eyes

Open your eyes
