Do the Boogie the Rock 'n' Roll do it fast or take it slow
Forget about what others think
Express yourself and give every little thing
Dance, dance, move it all 'round
I wanna see them moving legs up an' down
Dance, dance, move it all 'round
'Cause we're about to head off to the next town
Hey hey hey hey, hey hey hey hey
Hey hey hey hey, hey hey hey hey
At the club dressed up it's been a real hard week so far
The crowd is hot the band is tight
I wanna dance I'm gonna dance all night
Dance, dance, move it all 'round
I wanna see them moving legs up and down
Dance, dance, move it all 'round,
'Cause we're about to head off to the next town
