Angelo Kelly, I Trust In You

I can run but I cant hide
cause your my creator
you know my thoughts
your grace has brought me this far
youve given me so much
Ive given none in return
Forgive all the sins Ive done
I trust in you
Jesus I trust in you
Forgive all the sins Ive done
I trust in you
Jesus I trust in you
You guide me through all of my life
you never say goodbye, never say goodbye
I hurt you over and over
but your arms stay open
for our sins you died
Forgive all the sins....
