

# Angels, After The Rain

Angels  
Face To-Face Aus  
After The Rain  
(Brewster-Neeson-Brewster)

Who lies on sheets of ice, who pays for paradise  
after the rain?  
who suffers fools and freaks, who hangs in guilty cliques  
after the rain?

Somebody save me, the water's rising  
sweet Jesus take the blame  
who knows whose star is falling  
after the rain, after the rain

Who took the gold from their teeth, who takes the ancient masterpiece  
after the rain?  
who throws the winning dice, who lies beneath the ice  
after the rain?
