

# Angels & Airwaves, My Only Fear

There's a little black dark scar tire divine  
This is it, can you hear me?  
Have you ever felt the shattered heart buried alive?  
You can do almost anything  
There's a little red bridge with a view of the sun with the light  
will commence at just any sign  
And the thousands of stars come out thousands of times  
We can go, only if you believe.  
Only if you believe.  
Do you feel like you've lost everything you can lose?  
This is it, can you hear me?  
When you cry do your tears ever reach out of the room.  
Calling out at your moment of need?  
Do you ever lay awake with the look in the eyes?  
And if not then their wish is to make it tonight.  
I will offer a lie, and it's ready for use.  
Let me know, are you ready for me?  
I'd like to say that you're my only fear.  
And when I dream, it slowly disappears.  
And when I awake, I'm right here by your side.  
To feel your heart beat in and out of time.  
When the storm brings rain, snow, fate of all kinds,  
You can feel almost anything.  
When the day seems to melt, fall flat in the night,  
You can feel almost anything.  
When you can't go on, you gotta get up and try.  
This is it, can you feel me?  
When the bombs come down, you will make it alive.  
If you only, if you wanna believe.  
I'd like to say that you're my only fear.  
And when I dream, it slowly disappears.  
And when I awake, I'm right here by your side.  
To feel your heart beat in and out of time.  
I'd like to say that you're my only fear.  
And when I dream, it slowly disappears.  
And when I awake, I'm right here by your side.  
To feel your heart beat in and out of time (out of time)  
(When I dream)  
You're my only  
(When I dream)  
I feel your heart.  
(When I dream)  
I'm out of time  
(When I dream)  
I'm out of time  
I feel your heart [x4]  
I'd like to say that you're my only fear.  
And when I dream, it slowly disappears.  
And when I awake, I'm right here by your side.  
To feel your heart beat in and out of time
