

Angels & Airwaves, The Adventure (Radio Edit)

I wanna have the same last dream again
The one where I wake up and I'm alive
Just as the four walls close me within
My eyes are open up with pure sunlight
I'm the first to know my dearest friends
Even if your hope has burned with time
Anything that's dead shall be regrown
And your vicious pain, your warning sign
You will be fine
Hey oh, here I am
And here we go life's waiting to begin
Any type of love it will be shown
Like every single tree reach for the sky
If you're gonna fall I'll let you know
That I will pick you up like you for I
I felt this thing I can't replace
When everyone was working for this goal
Where all the children left without a trace
Only to come back as pure as gold
To recite this all
Hey oh, here I am
And here we go life's waiting to begin tonight
Hey oh, here I am
And here we go life's waiting to begin tonight
Hey oh, here I am
And here we go life's waiting to begin
I cannot live I can't breathe
Unless you do this with me
I cannot live I can't breathe
Unless you do this with me
I cannot live I can't breathe
Unless you do this with me
I cannot live I can't breathe
Unless you do this with me
I cannot live I can't breathe
Unless you do this with me
I cannot live I can't breathe
Unless you do this with me
Hey oh, here I am
(Do this with me)
Here we go life's waiting to begin
(Do this with me)
Hey oh, here I am
(Do this with me)
Here we go life's waiting to begin
Life's waiting to begin
