

Angels and Airwaves, True Love

(She's scared...She's a star...Burning Across the night time sky)

Yo eh, oh eh, oh eh, oh eh
Yo eh, oh eh, oh eh, oh eh
Yo eh, oh eh, oh eh, oh eh
Yo eh, oh eh, oh eh, oh eh
Yo eh, oh eh, oh eh, oh eh
Yo eh, oh eh, oh eh, oh eh

The snow has come down on top of everything
The town is alive and well without you -(She's scared)
The lights they peer out of the leafless trees
And you wont be alone, I am beside you

Yo eh, oh eh, oh eh, oh eh
Yo eh, oh eh, oh eh, oh eh
Yo eh, oh eh, oh eh, oh eh
Yo eh, oh eh, oh eh, oh eh

(True love)

The stars in the sky illuminate below
The light is the sign that love will guide you home
The stars in the sky illuminate below
If the world were to die, the light would guide you

Tears, spilling out, across a dead end street
Your house, is a lonely box that holds you
The star, bright and loud, is in dire need
Of the fear, that is an empty fear inside you

Yo eh, oh eh, oh eh, oh eh,
Yo eh, oh eh, oh eh, oh eh,
Yo eh, oh eh, oh eh, oh eh,
Yo eh, oh eh, oh eh, oh eh.

(True love)

The stars in the sky illuminate below
The light is the sign that love will guide you home
The stars in the sky illuminate below
If the world were to die, the light would guide you

The stars in the sky illuminate below
The light is the sign that love will guide you home
The stars in the sky illuminate below
If the world were to die, the light would guide you

(True love)

The stars in the sky illuminate below
The light is the sign that love will guide you home
The stars in the sky illuminate below
If the world were to die, the light would guide you

The stars in the sky illuminate below
The light is the sign that love will guide you home
The stars in the sky illuminate below
If the world were to die, the light would guide you

(True love)

The stars in the sky illuminate below
The light is the sign that love will guide you home (True Love)

The stars in the sky illuminate below
If the world were to die, the light would guide you

(True love)

The stars in the sky illuminate below
The light is the sign that love will guide you home (True Love)
The stars in the sky illuminate below
If the world were to die, the light would guide you.

(She's a star)
