

# Angels, Beyond Salvation

(Brewster-Amanda Brewster-Eccles)  
Been held down, can't hold back  
got this town on its back  
Get no sleep tonight, midnight runaway  
twist my arm till my backbone breaks  
and the bedroom starts to sway  
Bedroom after bedroom  
soldier, pretender  
bedroom after bedroom  
fever, no return  
Fortune gained, fortune lost  
party games, magic dust  
Get no sleep tonight, midnight runaway  
twist my arm till my backbone breaks  
and the bedroom starts to sway  
Small town, hunt you down  
feed on everything you've done  
secrets circle round  
drive you deeper underground  
Get no sleep tonight, midnight runaway  
twist my arm till my backbone breaks  
and the bedroom starts to sway
