

# Angels, Cant Get Lucky

(R. Brewster)

Watch the balckbird coming down  
guilty peracher waking drum  
living in turtured extasis  
twisted vision what you see  
make you fammous, make you blameless  
feel the madness catching up with me

Breakdown

is just beginning  
you're the only one  
shot at your heart  
and after all you've done

Breakdown

Bear the changes coming through  
lotta love but no one's loving you  
see the blackbird cross the sun  
never saud goodbye to anyone  
live a little less tonight  
die a little more tomorrow  
feel the madness catching up again

Breakdown

is just beginning  
you're the only one  
shot at your heart  
and after all you've done

Breakdown

-----  
Breakdown was released as the B-side of The Angels' "Sticky Little Bitch"; 7" single, 1985.
