Comin' Down
(Brewster-Neeson-Brewster)

Psycopath, young man, dedicated to efficiency
17, 28, 59, looks like it's comin' down on me
down on me

Hold tight! big brother
calling in the name of liberty
lots stone take your place
looks like it's comin' down on me

Never so many are watched by so few
for so long, by so much for big brother!
