

Angels, Hold On

Angels
Red Back Fever
Hold On
(Spencer-Brewster-Eccles)

Still feel the rain, still hear you call
still carry a picture
-don't forget me-
no end, no fear
gonna live forever
-suffer the hero-

Hold on, hold on
I'll be waiting for you
hold on, hold on
I'm still aching for you

I'm hearing you calling me home
I'm there when you stumble and fall
now I'm sleeping waiting for you
-that's all I think about-
and I'm calling your name to the wind
and I'm whispering close to your ear
-I know you can hear me-

Hold on, hold on
I'll be waiting for you
hold on, hold on
I'm still aching for you

Still feel the rain, still hear you call
still carry a picture
-that's all I think about-
and I'm calling your name to the wind
and I'm whispering close to your ear
-and I know you can hear me-

Hold on, hold on
I'll be waiting for you
hold on, hold on
I'm still aching for you
