

# Angelspit, Red

CHEATED

you don't get what you think you deserve

COMA

devour everything to deaden the nerve

gotta cut a profit even if I cut a throat...

PERISH

all that you build, will be destroyed

STOLEN

All your value will crumble to void

nice guys get crucified gotta find a scapegoat...

STATUS

wither away inside your golden cage

VICTIM

spend more, bury the rage

wanna get a payrise to justify my worth...

White is the colour of Purity

Black is the colour of Execution

Gray is the colour of Urban Bland

Red is the colour of Revolution
