

# Angie Aparo, Swell

Only Virginia so very kind  
All of her anyway that you desire  
Only Virginia so crucified  
And all of her dying keeps her alive  
And swell  
Made up for everyone else  
Happy and horribly well  
The girl with her soul on a shelf  
Only Virginia knows how to bleed  
All of her giving never comes free  
Only Virginia so desperately  
Wanting the whole world watching her misery  
Swell  
Made up for everyone else  
Happy and horribly well  
Hello misunderstood so go the lonely  
Tracing your ashes to wood  
So go the lonely and you are the only
