Angie Stone, Bone 2 Pick

Ali Shaheed, on the mix Kickin' it with Angie Stone Uh, Take it back, take it back

Tell me what is up with you Heard you got a brand new crew Spending money like you rich Tryin' to keep up with your bitch

Seems somewhere you lost your soul 'cause you forgot the debt you owe Left me hanging out to dry But all the time I'll tell you why

'cause I got a bone to pick with you Ain't nothing new under the sun And I got a talk to have with you So baby, if it fits Then wear the shoe

Now baby I tried my best to see I'm stackin' the odds at one to three I'm givin' the benefit to you Meanwhile I'm losing all access to you

And baby you played me like a fool Caressing me softly with a boo You're feeding me lovin' lies for food I'm waiting for one moment of truth

'cause I got a bone to pick with you Ain't nothing new under the sun And I got a talk to have with you So baby, if it fits Then wear the shoe

You don't like this love I'm givin'
Boy don't fake the feelin'
Keep it real with me
You're living too fast
And all around you's movin' slow, so slow
It's better to keep it cool
Than blow it just for show
So hold onto love if you can remember it

And somewhere you lost your soul 'cause you forgot the debt you owed You left me hanging out to dry But all the time I'll tell you why

'cause I got a bone to pick with you Ain't nothing new under the sun And I got a talk to have with you So baby, if it fits
Then wear the shoe

Baby there's something you should know Whatever deed you plant will grow But nothing will interrupt it's flow You only get out just what you give Together it's not all negative Beware of how you live

See it makes no sense to me, babe

'cause I got a bone to pick with you Ain't nothing new under the sun And I got a talk to have with you So baby, if it fits Then wear the shoe
