

# Angie Stone, Gotta Get To Know You Better

I got my feelings bubblin' under for you  
I'm not too sure just yet of what I should do 'bout you  
My mama raised me to be careful  
Daddy said, Baby girl, you gotta look out for yourself  
But right now, I'm at a loss for words, got a crazy urge  
Somethin' 'bout you makin' me wanna merge, get it too  
But I better take my time, check the warnin' signs  
Slow it down if I'm gonna make you mine  
Don't wanna be a fool, I don't know  
What you want, how you live  
Where you go and where you've been  
Gotta get to know you better  
Is there a wife, have you done a bit  
Are you spiritual, do you have kids?  
Gotta get to know you better  
You got me open, now that I'm yearnin' for love  
You the only one lately I'm thinkin' of  
Could this be the moment I've waited for all my life?  
One of God's miracles, a small sacrifice  
I'm at a loss for words, got a crazy urge  
Somethin' 'bout you makin' me wanna merge, get it too  
But I better take my time, check the warnin' signs  
Slow it down if you're gonna be mine  
Don't wanna be a fool, got to know

What you want, how you live  
Where you go and where you've been  
Gotta get to know you better  
Is there a wife, have you done a bit  
Are you spiritual, do you have kids?  
Gotta get to know you better  
What you want, how you live  
Where you go and where you've been  
Gotta get to know you better  
Is there a wife, have you done a bit?  
Are you spiritual, do you have kids?  
Gotta get to know you better  
What you want, how you live  
Where you go and where you've been  
Gotta get to know you better  
Is there a wife, have you done a bit?  
Are you spiritual, do you have kids?  
Gotta get to know you better, better  
What you want, how you live  
Where you go and where you've been  
Gotta get to know you better
