

Angie Stone, Love Junkie

[Intro]

I don't know why I do this
But it feels so good
It's all about the Stone
Stone cold, check it

[1] - Love junkie, so damn funkey
Stone cold monkey
I can't get off my back

Love junkie, so damn funkey
Stone cold monkey
Hard to shake off my back

Love junkie, so damn funkey
Stone cold monkey
I can't get off my back

Love junkie, stone cold monkey

Here we go
I don't know what to do
When I get up on you, babe
I get a natural high
One look in your eye, yeah
I think you better chill
Cuz loving you makes me ill
So baby, proceed with me
Cuz you got me weak in my knees

[Repeat 1]

Baby, you can't let go
Cuz you make me scream for more
You measure up inside
You're over qualified, babe
Sweetest morning dew
Can't wait to get next to you
Damn, I just saw in your head
Something I just don't wanna miss, oh

[Repeat 1]

I get high, high, high, so high
I get high, high, high, so high
I get high, high, high, so high
I get high, high, high

Cuz I'm a

[Repeat 1 until fade]
