

# Angie Stone, Visions (Now That I'm Over You)

Visions of you in my mind  
Haven't thought about it for a long, long time  
Why you trying to creep back into my life  
Now that I'm over you?  
Now you want me to be down  
For loving you a second time  
Ain't no way 'cuz I'm doing just fine  
Now that I'm over you  
Now there you go giving me that same old vibe  
You got that something, something, baby  
You know you rub me the right way  
But we've been down this road  
You took me for a ride  
You left me stranded but I got over it  
And got on with my life [Incomprehensible]  
Visions of you in my mind  
Haven't thought about it for a long, long time  
Why you trying to creep back into my life  
Now that I'm over you?  
Now you want me to be down  
For loving you a second time  
Ain't no way 'cuz I'm doing just fine  
Now that I'm over you  
Why should I let you back in my life?  
'Cuz you'll only hurt me, hurt me, baby  
And I don't deserve to be treated that way  
So I tell you what, what I'm gonna do  
I'm gonna get the hell out of here  
'Cuz I'm not coming back to you  
Visions of you in my mind  
Haven't thought about it for a long, long time  
Why you trying to creep back into my life  
Now that I'm over you?  
Now you want me to be down  
For loving you a second time  
Ain't no way 'cuz I'm doing just fine  
Now that I'm over you  
So whatcha gonna do?  
'Cuz I'm not coming back to you, babe  
Whatcha gonna do?  
'Cuz I'm not coming back , no  
Whatcha gonna do?  
Cuz I'm not coming back to you, no  
Whatcha gonna do?  
Cuz I'm not coming back  
Visions of you in my mind  
Haven't thought about it for a long, long time  
Why you trying to creep back into my life  
Now that I'm over you?  
Now you want me to be down  
For loving you a second time  
Ain't no way 'cuz I'm doing just fine  
Now that I'm over you  
Visions of you in my mind  
Haven't thought about it for a long, long time  
Why you trying to creep back into my life  
Now that I'm over you?  
Now that I'm over you? You  
Visions of you in my mind  
Haven't thought about it for a long, long time  
Why you trying to creep back into my life  
Now that I'm over you?  
Visions of you in my mind  
Haven't thought about it for a long, long time

Why you trying to creep back into my life  
Now that I'm over you?  
Now you want me to be down  
For loving you a second time
