

Angie Stone, You Don't Love Me

[Intro]

Yeah, oh oh, whoo oh, yeah

Boy, my love is fading
I'm sick and tired of waiting, cuz
Slowly you've been breaking my,
Breaking my spirit, oh I

Thought I made you happy but
To my surprise you gladly
Avoid me with no mention
Baby, you've got ill intentions

1 - Cuz you don't love me anymore (You don't, you don't) oh no
Gotchu pullin', gotchu stretchin', gotchu slowly fadin' away
Oh
Cuz you don't love me anymore, oh no
Gotchu pullin', gotchu stretchin', gotchu slowly fadin' away
Ok

Baby you've been tripping and
Lately you've been slippin' up
Trying me keep up with your rhythm
Your heart is like a prison

Thought we'd be together
And we'd be hangin' and kickin' it like forever
To my surprise, I'm wrong again
Lord, help me to understand

Repeat 1

Time since then has long passed me by
But it's alright
You don't have to worry 'bout me, no no
I have cried but since then my tears have dried
And I'm gonna be just fine
Living one day at a time

Repeat 1 until fade
