

# Angra, Angels Cry [6:47]

Angra  
Angels Cry  
Angels Cry [6:47]  
(Matos, Bittencourt)

Cry in the night of the angel  
For their light will never shine  
With their hearts so full of sorrow  
Muddy waters all around  
The curtain falls  
for helpless souls  
How they suffer swept aside  
And the raging streams are flowing  
with so little hope inside

[Is like]  
Angels crying  
Can't take no more  
Angels dying  
capture their fall

Try to see this misery  
your future is not what you wished it to be  
So try to fly, the answer lies  
in the angry darkened skies [angry darkened skies]

You just keep on standing in these fields  
all your life  
You sow the seeds that never grow  
No harvest comes such a strain  
to feed the few  
Still you're waiting, it's in vain...  
The change must come right now!

Oh, see the sun in the sky  
[from the dawn of destruction]  
Free, free this chain from my heart... [chain, chain, chain]  
Hear the cry of angels  
from this life you cannot hide  
The change may come tomorrow  
for the solemn weeping eyes

[Like]  
Angels crying  
Can't take no more  
Angels dying  
capture their fall

Try to see this misery  
your future is not what you wished it to be  
So try to fly, the answer lies  
in the angry darkened skies [angry darkened skies]

You just keep on standing in these fields  
all your life  
You sow the seeds that never grow  
No harvest comes such a strain  
to feed the few  
Still you're waiting, it's in vain...  
The change must come right now!

Angels are crying and dying  
There must be some way  
endless you stray, still you pray

for a better life  
Nobody sees when a glimpse  
of your target lies behind you,  
Like steps of the pilgrims  
unshined!!
