Angra, Rebirth (Acoustic Version)

Angra Miscellaneous Rebirth (Acoustic Version)

[Music: Rafael Bittencourt and Kiko Loureiro / Lyrics: Rafael Bittencourt]

Cooling breeze from a summer day Hearing echoes from your heart

Learning how to recompose the words

Let time just fly

Joyfull sea gulls roaming on the shore

Not a single note would sound

Raise my head after I dry my face

Let time just fly

Recalling, retreating

Returning, retreaving

A small talk your missing

More clever but older now

A leader, a learner

A lawful beginer

A lodger of lunacy

So lucid in a jungle

A helper, a sinner

A scarecroow's agonizing smile

(And I) Ride the winds of a brand new day

High where mountain's stand

Found my hope and pride again

Rebirth of a man

Time to fly...
