The Milkshake Song

down and out when i used to walk the same way home from school
and i hoped i'd see her and then when i didn't i was crushed
like the bully stole my lunch, oh yeah, oh yeah, oh yeah well it

it seems so hard for me to do, to be myself when i'm with you, with you, i'm with you

and she gave me a milkshake and a kiss
i don't need a whole lot more
and she gave me a milkshake and a kiss
i don't need a whole lot more than this

take me back in time when i, i didn't give a fuck
about what i said or did or when i, when i did it, it was done
and nothing more was less, oh yeah, oh yeah, oh yeah well it

it seems so hard for me to do, to be myself when i'm with you, i'm with you

and she gave me a milkshake and a kiss
i don't need a whole lot more
and she gave me a milkshake and a kiss
i don't need a whole lot more than this

and she gave me a milkshake and a kiss
i don't need a whole lot more than this

it seems so hard for me to do, to be myself when i'm with you, with you, i'm with you

and she gave me a milkshake and a kiss
i don't need a whole lot more
and she gave me a milkshake and a kiss
it takes away my emptiness
and she gave me a milkshake and a kiss
i don't need a whole lot more
and she gave me a milkshake and a kiss
i don't need a whole lot more than this
