

Angtoria, Confide In Me

I stand in the distance
I view from afar
Should I offer some assistance?
Should it matter who you are?
We all get hurt by love
And we all have our cross to bear
But in the name of understanding now
Our problems should be shared
Confide in me, Confide in me
Confide in me, Confide in me
I can keep a secret
And throw away the key
But sometimes to release it
Is to set out children free
We all get hurt by love
And we all have our cross to bear
Confide in me, Confide in me
Confide in me, Confide in me
