

Angus & Julia Stone, Babylon

So rest your head-
you're all mine.
And I stay awake,
I won't go home.
Let's go on a holiday.
To burn this town
She's my Babylon.
So rest your heart-
you're all mine.
Because if you walk away,
I fall on down.
And bleed, red as blood-
Red as when.
She's my Babylon.
No I don't want to
see you go.
No I don't want to
be alone.
So rest your hand -
you're all mine.
I can't stay awake,
my eyes fall down.
Said I dreamed a dream
that you walk round
She's my Babylon.
No I don't want to
See you go.
No I don't want to
Be alone
No I don't want to
Be alone.
No I don't want to
Be alone.
