

# Ani DiFranco, Bliss Like This

I said Venice  
You heard Vegas  
Now I say either way  
Baby let's go  
I get so shaky  
And I just can't shake it  
I bliss like this  
I'm one of those  
But I don't wanna wear you  
Wear you like a band-aid  
Wave you like a ticket  
Out of my good grief  
I just wanna know you  
Know you like I know my garden  
What you smell like when you're bloomin  
What lives underneath  
Deep down underneath  
Way down underneath  
We do a whole lotta laughin  
At the shyness that surrounds us  
I do a whole lotta lookin  
Somewhere else  
I don't need to look  
No, I can just feel you  
Besides every time I see you  
It just forces me to look at myself  
Cuz I get so shaky  
And I just can't shake it  
I bliss like this  
I'm one of those  
And I said Venice  
And you heard Vegas  
But now I say either way  
Let's go  
C'mon baby let's go
