

Ani DiFranco, Whatall Is Nice

today we are only whatall is nice about us
today we turned on in the blue light of dawn
and made love
and you were not a dot dot dot
waiting for me to complete you
and it was like i just forgot
to measure everything that i do
we woke up with the notion
that enough is not enough without more
and then we pushed with one motion
like the ocean heaves a wave at the shore
and you were not a dot dot dot
leaning forward expectantly
and i was not in such a rush
to insure my autonomy
today we are only whatall is nice about us
