

Ania Waraszko, Lovely Love ft. Edidion

You taste for me like sweet lemon shandy
My world is changing now, that's crazy
You are the piece of candy
My heart is waiting
so take me

So baby
Take my hand really slow
Touch me baby don't let go
Take my life to up high
This is Lovely Love

Uhuu...

You bring me lots of fun
Maybe my all night will not be empty
Shall you dance with me in rainy
Days are happy now
take me

So baby
Take my hand really slow
Touch me baby don't let go
Take my life to up high
This is Lovely Love

(Edidion)
