

# Anika Noni Rose, Down In New Orleans (Finale)

In the south land there's a city  
Way down on the river  
Where the women are very pretty  
And all the men deliver  
They got music, it's always playing  
Start in the day time, go all through the night  
And when you hear that music playing  
Hear what I'm saying, make you feel alright  
Grab somebody, come on down  
Bring your paintbrush, we're painting the town  
There's some sweetness going around  
Dreams do come true in New Orleans
