

# Anika Paris, I

I spent my time, wasting time, losing time  
On a dark day afternoon  
Slowly but surely I find I go out of my mind  
On the dark side of the moon  
Cause no one ever told you it would be this hard  
No one gonna break this foolish broken homeless heart  
Hold her, I'm gonna hold her  
I'm gonna cry  
Easy come, easy go  
I am who I am and I know what I know  
Now I, yeah  
I'm gonna be just fine  
I'm gonna be just fine  
Now I  
I'm gonna be just fine  
I'm gonna be just fine  
You'll see  
But I've been bruised, been burned by a light  
How can you live with yourself  
How can you live with yourself  
Cause I don't know what you mean when you say you don't know who I am  
I don't care, I don't feel any more, this is not what I plan  
Easy come, easy go  
I am who I am and I know what I know  
Now I, yeah  
I'm gonna be just fine  
I'm gonna be just fine  
Now I  
I'm gonna be just fine  
I'm gonna be just fine  
You'll see
