

Animal Collective, Daily Routine

Just a sec more in my bed
Hope my machine's working right
When it's just precisely tuned
That shit's gonna be so nice
Make sure my kid's got a jacket
Keys and coat and shoes and hat
Strap a stroller to my back
Bouncing along every crack
What good is it to make it fast
Sing a song to pass the playground
What can I do as traffic pass
Guard my girl from muffler's black gas
What can I do to make it fast
Pop a jump but not too hard
And we'll end up at the ramp
Stop and look at the traffic signal
