Animal Collective, Whatddit I Done

it's night time where i park outside what have i done in the last day time? where am i out in the night time? going crazy, on a free fall, they are dancing at the wrong maw with the right girl and the low and mine and they left the stall and it's doing time ease and let me in i love when we come and it's good so and it cures stress too and it blows your mind it's a neat time any wish now we've got free hands go and need hands is where we were out takin' these times it's a good time when new call where we come to say that i need ya and i need ya when i need ya and i need ya when we need ya do i need ya yeah i need ya do i need ya
