

# Animals, BABY LET ME TAKE YOU HOME

Baby can I take you home  
Baby let me take you home  
I'll love you all my life  
You can bet I'll treat you right  
If you just let me take you home

Baby can I dance with you  
Baby can I dance with you  
I'll do anything in this God-almighty world  
If you just let me dance with you

Baby let me take you home  
Baby let me take you home  
I'll love you all my life  
You can bet I'll treat you right  
If you just let me take you home

Well when I saw you baby  
I couldn't ignore you  
And I wanted you for my girl  
And when you said Yeah!  
I just couldn't care about  
Anybody else in this world  
You smiled at me  
Baby now I could see  
My life was planned out ahead  
You took my hand  
And it felt so good  
And this is what you said

Baby won't you be my man  
Baby won't you be my man  
Yes I'll be your man  
And I'll do the best I can  
I wanna be your man

It's alright, it's alright!  
It's alright, it's alright!  
It's alright, it's alright!
