Animaniacs, The Anvil Song

An anvil's black and shiny It's very heavy too So watch out, my chubby friend Or one will fall on you On me? Heh hah huh huh That wasn't pretty But it had to be done Heh huh huh huh, great song, heh huh huh huh Neato completo yippie It's unstoppable Call in the national guard Or Tonya harding's bodyguard Let's sing it again, I lovey-dovey loved it It's made of solid iron It weighs a ton or two We know you'd like to meet it It wants to meet you too Huh hu Yay, let's do it again Now it's gettin' scary
