

# Animotion, Obsession (12 Inch Remix Version)

You are an obsession  
I cannot sleep  
I am a possession  
Unopened at your feet  
There is no balance  
No equality  
Be still  
I will not accept defeat

I will have you  
Yes I will have you  
I will find a way and I will have you  
Like a butterfly  
A wild butterfly  
I will collect you and capture you

You are an obsession  
You're my obsession  
Who do you want me to be  
To make you sleep with me  
You are an obsession  
You're my obsession  
Who do you want me to be  
To make you sleep with me

I feed you I drink you  
My day and my night  
I need you I need you  
By sun or candlelight  
You protest you want to leave  
Stay there's no alternative

Your face appears again  
I see the beauty there  
But I see danger  
Stranger beware  
A circumstance in your naked dream  
Your affection is not what it seems

You are an obsession  
You're my obsession  
Who do you want me to be  
To make you sleep with me  
You are an obsession  
You're my obsession  
Who do you want me to be  
To make you sleep with me

My fantasy has turned to madness  
All my goodness has turned to badness  
My need to possess you has consumed my soul  
My life is trembling I have no control

I will have you  
Yes I will have you  
I will find a way and I will have you  
Like a butterfly  
A wild butterfly  
I will collect you and capture you

You are an obsession  
You're my obsession  
Who do you want me to be  
To make you sleep with me

You are an obsession  
You're my obsession  
Who do you want me to be  
To make you sleep with me  
(repeat and fade)
