

# Animus, Dies Irae

It's a gloomy day  
Sun hides behind grey cloud  
Depression and hate  
Now inside of me  
Dies irae - earth starts to shake  
Dies irae - there's no escape  
Dies irae - against me you can't provide  
Dies irae - god must die  
Dies irae - earth starts to shake  
Dies irae - the time of change  
Dies irae - against me you can't provide  
Dies irae - christ must die

Wrath is the source  
Of each emotion (of mine)  
Dies irae - earth starts to shake  
Dies irae - there's no escape  
Dies irae - against me you can't provide  
Dies irae - god must die  
Dies irae - earth starts to shake  
Dies irae - the time of change  
Dies irae - against me you can't provide  
Dies irae - christ must die
