

Anita Baker, Rythym of love

With the rhythm in our lovin'
There ain't nothing I can't do
When I feel the beat of love
Go on and on and on with you
I don't have to worry
There ain't nothing you won't do
To give your love to me
And I give my love to you
I know what you like, you just what to do to me
The rhythm is right, we have fun with harmony
You got the bass, I can pick up the pace, yeah, yeah
There's no time to wait
A perfect love is what you make of it
When our bodies move, we're syncopated
I never knew that two could be like you and me
So good together, some people work better solo
But I could never be without you, oh no
I'd miss your touch, as it is I can't get enough, yeah, yeah
I'm in heaven above
I give you a melody that's always new
You've got a good beat, I can dance to you
Spinning for as long as we can
Come on let's jam
Le beat de jour c'est le beat d'amour
A perfect love is what we me make of it
When our bodies move we're syncopated
I never knew that two could be like you and me
