Lifting Up My Life

Ooh yeah, Im lifting up my life

Ooh yeah, it's all up to me now

Ooh yeah, Im lifting up my life

Ooh yeah, it's all up to me now

Watching my TV, playing the station

When I graduate, what will become of me ?

Get a job, a house, a wedding ring

Living live easy

But I don't think that's enough for me

I wanna live life,

Like life should be lived

I wanna live life,

Like life should be lifted up

I wanna fly and land

Where ever, I choose

The world just ain't big enough 4 me

I can travel with my mind

When my pockets are empty

And I live all my fantasies

Ooh yeah, Im lifting up my life

Ooh yeah, it's all up to me now

Ooh yeah, Im lifting up my life

Ooh yeah, it's all up to me now

Ooh yeah, Im lifting up my life

Ooh yeah, it's all up to me now

Ooh yeah, Im lifting up my life

Ooh yeah, it's all up to me now
