

# Anita Lipnicka & John Porter, You're not the only

Have you ever been down to those crossroads  
At least in your mind  
To get the deal of your life  
Walk on by, get seriously blind  
Have you ever been struck by a blinding light  
Let your life run over you  
Get to tame the beast within  
The one who's in love with you  
You're not the only one  
Who's the lonely one  
You're not the only one  
Who can't sleep at night  
Have you got to the top of the mountain  
To find the clouds have been moved  
Found a story to break out from  
That story that's following you  
You're not the only one  
Who's the lonely one  
You're not the only one  
Who can't sleep at night
