

# Anita O'Day, I've Got Five Dollars

I've got five dollars  
I'm in good conditions  
And I've got ambition  
That belongs to you  
Six shirts and collars  
Debts beyond endurance  
On my life insurance  
That belongs to you  
I've got a heart  
That must be spurting  
Just be certain I'll be true  
Take my five dollars  
Take my shirt and collars  
Take my heart that hollers  
Everything I've got belongs to you  
I've got five dollars  
Eighty-five relations  
Two lace combinations  
They belong to you  
Two coats and collars  
Ma and Grandma wore 'em  
All the moths adore 'em  
They belong to you  
I've got two lips  
That care for mating  
Therefore waiting will not do  
Take my five dollars  
Take my coat and collars  
Take my heart that hollers  
Everything I've got belongs to you  
I've got five dollars  
Keep your shirt and collars  
I'm through with all the ballers  
'Cause everything I've got belongs to you
