

# Anitta, Boys Don't Cry

Who says boys don't cry?

Sometimes I call you when I can't sleep alone  
Now you keep me asking what that means, oh no  
In your feelings, I can feel it  
You're in your feelings, you won't admit it but  
That's why I push you away from me  
'Cause I know, I know

It drives you crazy, tried to tame me  
But nobody's taking control over me

Ooh, baby, baby, you've been talking tough  
But you boys can't get enough  
When the girls don't need your love  
Who says boys don't cry?  
Ooh, baby, baby, you just oughta touch  
'Cause you boys can't get enough  
When the girls don't need your love  
Who says boys don't cry?

Sometimes you call me when you're too drunk, oh God  
Then you start telling me I'm the one, I'm not  
In your feelings, I can feel it  
You're in your feelings, you won't admit it but  
I thought that we were just having fun  
'Cause I know, I know

It drives you crazy, tried to tame me  
But nobody's taking control over me

Ooh, baby, baby, you've been talking tough  
But you boys can't get enough  
When the girls don't need your love  
Who says boys don't cry?  
Ooh, baby, baby, you just oughta touch  
'Cause you boys can't get enough  
When the girls don't need your love  
Who says boys don't cry?

Who says they don't cry?  
Who says they don't cry?  
Who says they don't cry?  
Who says boys don't cry?
